

BLUE GRASS TOOLS

Belknap
Inc.

BLUE GRASS
BELKNAP-LOUISVILLE
— BG647-16 —

YOU SHOULD BUY "BLUE GRASS TOOLS"

"The Nation's Standard of Quality"

"Quality"

Blue Grass Tools are made of the very highest grade materials suitable to the uses and requirements of the individual items in the line. They are manufactured in the best equipped factories in this Country by skilled mechanics, specialists in their line, many of whom have spent their lives in the making and perfecting of fine tools. They are subjected to the most critical tests and inspections during the process of manufacture and to additional inspection before acceptance into our stock. Blue Grass tools are in fact "The Nation's Standard Of Quality"

"Finish"

In keeping with the highest quality possible Blue Grass Tools have only the highest finishes adding that unmistakable touch that announces, even to the layman: "here is a thoroughbred that any man should be proud to possess". Many important lines such as Axes, Hatchets, Hammers, etc., are furnished in several different finishes to suit individual taste, but all are of the same quality. Blue Grass Handles in Axes, Hatchets and Hammers are of Super quality specially selected second growth hickory, sand belted, waxed and polished

"Variety"

The Blue Grass line offers the merchant a greater variety of High Grade Tools than any factory brand in the market today. No single tool maker, makes near as complete a line and the merchant handling the Blue Grass line, can sell a mechanic or householder a more nearly complete line of tools than can be had under any other brand. A satisfied customer on one Blue Grass Tool is always a live prospect on many other items.

"Performance"

Blue Grass Tools have been giving complete satisfaction for more than sixty years, during which time millions of individual items have passed from the Stores of our customers into the hands of the users—many have passed from one generation to the next and are still giving complete satisfaction.

"Profit"

Almost invariably Blue Grass Tools are priced lower than the comparable qualities of factory or other brands. This saving in price is intended to give our Merchant Customers a higher average profit than is obtainable on other brands.

"Complete Satisfaction"

There is no Brand of Tools offering more in quality, finish, or service. None that offers a greater number of items to select from at prices that will show our customers a fairer margin of profit and at the same time cost the user no more than the average good article.

"Protection"

We assure the merchant handling Blue Grass Tools that every piece is perfect in workmanship and material and will give complete satisfaction when used properly for the purpose intended. We cannot guarantee against failure due to abuse or mis-use, but will gladly replace any Blue Grass Tool that shows defective material or faulty workmanship.

"Reputation"

The reputation of the Belknap, Inc. built up during 130 years of constant growth and honorable service, stands behind every Blue Grass Tool.

BLUE GRASS

The Nation's Most Popular Nail Hammers

introduces

"ONE FORTY-SEVEN"

NEW Blue Grass fiberglass-handled hammers available in 5 models.

- Head forged from special analysis steel
- Full mirror polished - Crowned - Chamfered
- New design tough fiberglass handle
- Shock-absorbing cushion grip.

NEW "ONE FORTY-SEVEN" BLUE GRASS HAMMERS feature handle design of tough fiberglass with the style of hickory . . . the strength of steel!

Handles are permanently bonded to head. Non-slip cushion grip absorbs shocks and reduces fatigue.

Head scientifically heat-treated and tempered . . . balanced and correctly shaped to give maximum driving power. Crowned face prevents scarring of wood. Chamfered edge minimizes chipping. Claw bite pulls headless pins or 20D nails. Long curve of claw affords greatest leverage.

THE NATION'S MOST POPULAR NAIL HAMMERS "FAMOUS FORTY-SEVEN," BLUE GRASS

Drop Forged Special Analysis Steel
Scientifically Heat-Treated and Tempered

Correctly balanced and shaped head gives maximum driving power. Crowned face prevents scarring of wood.

Precision claws are uniformly split to bite even the smallest nails.

Chrome-plated tubular steel handle is forced under pressure into the head. A steel pin, through head and shaft, holds head permanently tight.

Non-slip fiber composition grip, has special shock-absorbing qualities. Grip permanently bonded to shaft. Won't come loose, won't turn.

005-876 T1-BG647R-20 Each 11 66
4 in shelf box; wt each 1 3/4 lbs.

Drop Forged Special Analysis Steel
Scientifically Heat-Treated and Tempered

Correctly shaped and balanced head gives maximum driving power.

Crowned face prevents scarring of wood. Chamfered edge minimizes chipping. Claw bite pulls headless pins or 20D nails. Long curve of claws affords greatest leverage. Eyes of hammer are forged with double taper on all four sides so that heads when driven have a positive grip on the handle at the center of the eye. The taper of the handle matches the taper of the eye, ensuring a very tight fit on all surfaces of the eye when the end of the handle is wedged.

Straight grain full octagon white hickory handles are put through a special treatment before driving which prevents any shrinkage of the wood in the eye, thus preventing the handles from becoming loose. Spring neck handle absorbs shock. Swell end grip insures perfect hand hold.

FULL MIRROR POLISHED BLACK FINISH UNDER CURVED CLAW NAIL HAMMERS

MITRE BOXES

—BLUE GRASS—SAW INCLUDED

The same 5x28-inch, 11-point back saw that is used for the test cut is shipped with the mitre box.

Zinc cast base.
Effortless cuts—Jaw rides on self-lubricating sintered bronze bearings.

Guide mechanism adjusts to blades of any thickness.

Perfect vertical

cuts—Saw guides can be adjusted to insure perfect vertical saw travel through the entire cut.

Accurate angle cuts and easy angle selection.
Angle selector guide mechanism can be reset to cut a perfect 90° angle.

Saw guides pivot and lock at all angles along easy-to-read scale.

Spring-loaded pointer stops guides at 7 most commonly used angles.

Base and pivot arm fully support the work at all angles.

Beautiful finish—Cuts—Work support bar pivots with angle selector which keeps the work level and insures clean, sharp, matching cuts.

Ease of work placement—Each saw hanger must be hand tripped so saw cannot fall while work is being positioned.

611-269 T5-8G123 Each \$93 25
One in shp ctn; wt ctn 31 lbs.

MITRE BOXES

—BLUE GRASS

Zinc Cast Base—Saw Included

Complete with 4x24 11-Point Back Saw with reusable saw blade protector.

Saw glides on 8 steel rollers that adjust for perfect saw alignment.

Saw guides are located 11 1/2 inches apart to extreme accuracy.

Base and pivot arm fully support the work at all angles.

Depth stops accurately limit depth of any cut and protect saw from striking metal base.

The angle between the saw back and the saw can be reset to 90° for permanent accuracy.

Saw guides pivot and lock at all angles along an easy-to-read scale.

Spring-loaded pointer stops guides at seven commonly used angles.

Steel legs place cutting bed 4 inches above workbench.

Each saw hanger must be hand tripped so saw cannot fall while work is being positioned.

Top support and work bracket.

611-046 T5-8G142 Each \$66 19
One in shp ctn; wt ctn 22 lbs.

MITRE BOXES

—BLUE GRASS—
Aluminum Cast Base

Heavy-duty, one-piece base and back is a casting for strength and durability. This frame is mounted on widespread fabricated feet for easy attachment to workbench. Miter box work surface is four inches above workbench for safety and easy operation.

Replaceable cutting board is mounted on the base top to protect the saw from striking the cast iron base.

An adjustable work stop and work clamp assembly is included and can be used at either end of box. This holds the work and assists in making accurate repetitive cuts.

Cutting surface length 18 inches; width 4 1/4 inches. Any hand or miter saw can be used.

611-327 T5-BG263 Each \$26 66
One in shp ctn; wt ctn 10 lbs.

—BLUE GRASS—
Aluminum Cast Base

Ideal for the home workshop and picture framing.

Big cutting surface 18 inches long x 4 1/4 inches wide, any hand or miter saw can be used.

Thumb screw adjustments on saw guide allow for use of any thickness saw blade without saw wobble. All angles between 45° left or right can be made and held securely. Machined saw guide casting, metal back, hardwood base with rubber feet. Superior quality and product value.

3 1/2 x 16 inches, 11 point saw can be used. 610-774 T5-BG163 Each \$15 42
One in shelf box; 10 in shp ctn; wt ctn 52 lbs.

PRUNING OR UTILITY SAWS

—BLUE GRASS—

Designed for easy, almost effortless pruning, this sturdy saw is made of extra-strong, tempered, tubular steel, weatherproof durable chrome finished frame. This saw is light in weight and has a comfortable hand grip for faster one-hand pruning. Also, it is very useful, as a utility saw, around the home, farm, shop and cottage.

Although the blade is kept tight by proper tension adjustment, it can be removed and replaced without special tools. The blade is made in Norway of the finest Swedish charcoal steel, taper ground, especially hardened and tempered. The teeth, filed to razor sharpness, cut on both forward and backward strokes.

SPECIFY ARBOR SIZE WHEN ORDERING
SAW BLADES OR DADO SETS

BLUE GRASS 6 INCH DADO SETS

PRECISION-GROUND TOP QUALITY SAW STEEL

Outside saws and chippers perfectly matched to insure smooth, clean groove. Set includes two $\frac{1}{4}$ -inch outside saws, four $\frac{1}{4}$ -inch chippers and one $\frac{1}{16}$ -inch chipper.

BLUE GRASS CARBIDE TIPPED BLADES.

CARBIDE for cutting plastics,
transite, wallboard, etc.

HARD CHROME FINISH 8 TOOTH STYLE

Made of the finest saw steel, and teeth tipped with tungsten carbide, the hardest metal made.

New tooth design for maximum safety, projects slightly above the non-cutting edge. Gives new safety and efficiency.

Cuts tough materials like Masonite, formica, plastics, transite, asbestos, aluminum siding, and roofing and all types of wood.

Do not use for cutting stone, or ferrous metals. Do not try to sharpen or have sharpened locally as special equipment and diamond wheels are needed. Return to Belknap, for servicing.

BELKNAP, INC.

LOUISVILLE

KENTUCKY, U.S.A.

GRINDER HEADS

—BLUE GRASS—BENCH POWER GRINDER HEAD

Massive built modernistic design, gray work shop enamel finish. Adjustable nickel-plated tool rests. Equipped with two self-closing oil cups and finished in tu-tone porcelain hammertone enamel with bright plated trim.

Pulley accommodates V-belt, or round belt driven from any direction. Will take up to 6-inch grinding wheels.

Specifications

Bearings—High speed babbitt, $1\frac{3}{4}$ inches long.
Base— $5\frac{1}{4} \times 3\frac{1}{2}$ inches.
Shaft—Diameter $\frac{3}{8}$ inch; length 9 inches; turned for $\frac{1}{2}$ -inch arbor wheels.
Center of shaft to base $5\frac{1}{4}$ inches.
"V" or round belt pulley 2 inches.
Height over-all 6 inches.

One in shelf box; wt each $6\frac{1}{2}$ lbs.

GRINDING WHEELS

—BLUE GRASS—

Aluminum oxide wheels.
Designed to fit grinders most commonly used in the home workshops, garages and by some industrial customers.

Each wheel has been speed tested, balanced and faced.

Each wheel is supplied with knockout bushings for arbor sizes: $\frac{1}{2}$, $\frac{3}{8}$, $\frac{3}{4}$ and 1 inch.

Assortment includes the following:

- 1—T69-BG16F—Size wheel 4x $\frac{1}{2}$ x1 in.
- 2—T69-BG16M—Size wheel 4x $\frac{1}{2}$ x1 in.
- 1—T69-BG18F—Size wheel 4x $\frac{3}{4}$ x1 in.
- 2—T69-BG18M—Size wheel 4x $\frac{3}{4}$ x1 in.
- 1—T69-BG22F—Size wheel 5x $\frac{3}{4}$ x1 in.
- 1—T69-BG22M—Size wheel 5x $\frac{3}{4}$ x1 in.
- 1—T69-BG24F—Size wheel 5x1x1 in.
- 1—T69-BG24M—Size wheel 5x1x1 in.
- 1—T69-BG30F—Size wheel 6x $\frac{3}{4}$ x1 in.
- 2—T69-BG30M—Size wheel 6x $\frac{3}{4}$ x1 in.
- 1—T69-BG32F—Size wheel 6x1x1 in.
- 1—T69-BG32M—Size wheel 6x1x1 in.

V-BELTS

—BLUE GRASS—FRACTIONAL HORSE POWER

For home, farm and shop machines. Quiet running, smooth performing and long wearing. Concave side—Belts grip the pulley evenly and do not slip—last longer because belt wear is distributed evenly over the whole sidewall surface.

Bias Cut Cover—Covered with a rubber-impregnated, fabric cover which is cut on a 45 degree bias. Can be wrapped tightly around the belt and prevents any foreign material from penetrating the inner core, yet leaves belt perfectly flexible for running over pulleys.

TRY SQUARE/MITRE SQUARE/ANGLE FINDER

—BLUE GRASS—

Reads any angle instantly.

Checks true horizontal and vertical lines.

Lays off 45° and 90° angles.

Measures up to 12 inches in 8ths, 16ths and 32nds.

Increase accuracy on many jobs. Save time and mistakes with new improved try square/mitre square. You read angles, check levels, measure inches and lay guidelines—all with one heavy-duty tool. Die-cast head, steel ruler, angle finder of chip-proof ABS plastic.

Handy, hardened steel scriber for marking wood, metal or glass. Angle finder measures 0° to 90° in any quadrant. Not affected by magnetic field, heat or cold.

Movable head on steel ruler. Steel drawbolt with brass knurled nut locks head at any position.

Handy chart on back of angle finder shows degrees in angles converted to pitch per inch and foot.

370-924 T5-BGCSG12 Each \$5 28
One in shelf box; wt 1 lb.

COMBINATION SQUARES

—BLUE GRASS—

Combination Square can be used as a Try Square, Mitre Square, Depth and Marking Gauge, Precision Machine Cast-Iron Head with etched blade that is 12 inches long and

one inch wide and grooved so that handle may be moved, locked at any point by metal adjusting screw with enclosed spring. Vial in handle permits leveling and plumbing. Hardened steel scriber with metal grip is set in handle. Graduated in eighths and sixteenths on one side of blade and sixteenths and thirty seconds on other side.

Packed one in a chipboard box.

One pkg in shelf box.

METAL DRILL SETS

—BLUE GRASS—

Fits All 1/4- and 1/2-Inch Electric Drills

Drills are especially designed for use in sheet metal but also give good performance in other types of metal and in wood.

Easily centered and requiring a minimum of feed pressure.

They may be used in either portable electric drills or in drill presses.

The short, flute length, provides great rigidity, minimizing drill breakage, all bits have 1/4-inch shank.

Set contains four high-speed drills: sizes 3/16, 1/8, 5/16, and 3/8 inch.

Set of Four Drills

ELECTRIC DRILL BITS

—BLUE GRASS—

12-Inch Twist—Approximately 16 Inches Over-all

Designed for use in portable electric drills. Fine pitch screw point to compensate for high r.p.m. of electric drill. Single twist, and single-cutter head. Completely heat-treated for extra strength, shanks are accurately machined.

STAR DRILLS

—BLUE GRASS—

Blue Enamelled Body and Red Enamelled Cutting Tip

High grade octagon tool steel, carefully forged, hardened and tempered. Cutting edge is slightly oversize and of peculiar taper at the point. They can be resharpened without losing their original specified cutting size. Cutting lips shaped with the right bevel, which means fast cutting.

 553-024 T11-BG3401.....Each \$3 73
 6 in shelf box.

3/8" DRIVE FLEX RATCHETS**—BLUE GRASS—**

Hot forged alloy steel, fully hardened. Mirror bright polish finish on heavy chrome plate. Oilproof, non-slip rubber grip, for harder pull with greater comfort. Short handle swing. Less than 1 3/4

inches at end of handle for ratcheting in tight places. Small head—only 1 1/4 inches diameter. Fits and works in tight places.

Free-swing 10-inch handle. Pivots over 90° in either direction from straight handle position, reducing number of extension changes required to clear obstacles of varying heights. Works as a spinner in straight-up position.

- 576-678 T11-BG3428.....Each \$20 40
 6 in shelf box; wt box 4 1/2 lbs.

1/2" DRIVE SOCKET DISPLAY PANEL

—BLUE GRASS—
1/2-Inch Square Drive

Masonite display board painted yellow. Yellow letters on blue header. Sockets are mounted with sizes indicated. Suitable for pegboard hanging. Display size 22x12 inches. Forged from finest alloy steel, triple plated chrome finish.

DIAGONAL CUTTING PLIERS

—BLUE GRASS—ELECTRICIAN'S PLIERS

Cushion-Grip Handles—With Side Cutters

Drop forged from alloy steel.

These light diagonals are extremely useful tools. They have a good "feel" in the hand, balance nicely and their

keen blades cut easily and cleanly. Each one is individually tested for strength and cutting ability on our specially designed testing machines. Polished head.

Length 6 inches.
 175-943 T4-BG466-6 Each \$6 90
 One in shelf box; wt box 6 ozs.

—BLUE GRASS—

High Leverage—Cushion-Grip Handles

High leverage diagonal pliers with full-fashioned handles for easy cutting.

Length 7 inches.
 059-758 T4-BG466-7 (Old No. T4-BG46-7) Each \$6 75
 One in shelf box; wt each 1/4 lb.

—BLUE GRASS—ELECTRICIAN'S PLIERS

Cushion-Grip Handles

Properly designed all-round diagonal cutting pliers with hand-honed cutting knives.

Length 5 inches.
 059-766 T4-BG466-5 (Old No. T4-BG46-5) Each \$6 56
 One in shelf box; wt each 1/2 lb.

LONG CHAIN NOSE PLIERS

—BLUE GRASS—

Cushion-Grip Handles With Side Cutter

Side cutting pliers with spring-tempered nose. Drop forged from alloy steel with hand-honed cutting knives.

Length 6 inches.
 059-998 T4-BG444-6 (Old No. T4-BG44-6) Each \$6 82
 One in shelf box; wt each 1/2 lb.

Length 7 inches.
 556-001 T4-BG444-7 (Old No. T4-BG44-7) Each 7 97
 One in shelf box; wt each 1/2 lb.

—BLUE GRASS—

Cushion-Grip Handles Without Side Cutter

Long chain nose pliers without a side cutter. 3/16 inch nose and deep serrated jaws.

Length 6 inches.
 060-004 T4-BG455-6 (Old No. T4-BG45-6) Each \$5 49
 One in shelf box; wt each 1/2 lb.

LONG NEEDLE NOSE PLIERS

—BLUE GRASS—

Cushion-Grip Handles—Without Side Cutters

Drop forged from alloy steel.

In spite of the slenderness of its long nose, this tool has surprising gripping ability. Handles

can be squeezed until the jaws bend and twist far from their normal shape, yet when pressure is released, they at once return to their original form. Each one individually tested for strength on our specially designed testing machines. Polished head.

Size 6. Length of nose 3 inches; point size 3/16 x 1/8 inch; length over-all 6 1/2 inches.

176-651 T4-BG633-6 Each \$6 56
 One in shelf box; wt each 5 ozs.

CURVED NEEDLE NOSE PLIERS

—BLUE GRASS—

Cushion-Grip Handles

Drop forged from alloy steel.

The long, thin nose of this plier is bent at an angle which makes it very handy for working on machines where there are out-of-the-way corners into

which it is necessary to reach. Alloy steel and careful tempering gives them a good grip. Jaws will not break off, even though sprung or twisted out of shape. They always return to normal when pressure is released. Each one is individually tested for strength on our specially designed testing machines. Polished head. Length 6 inches; point size 1/8 x 3/16 inch.

176-677 T4-BG833-6 Each \$7 55
 One in shelf box; wt each 6 ozs.

LINEMAN'S SIDE CUTTING PLIERS

—BLUE GRASS—Cushion-Grip Handles

An ideal tool for electrical work.

Drop forged and skillfully tempered.

Length 7 inches.
 556-209 T4-BG433-7 (Old No. T4-BG43-7) Each \$7 45
 One in shelf box; wt each 1 lb.

Length 8 inches.
 060-566 T4-BG433-8 (Old No. T4-BG43-8) Each 8 70
 One in shelf box; wt each 1 1/4 lbs.

COMBINATION SLIP JOINT PLIERS

—BLUE GRASS—Cushion-Grip Handles

Standard type slip joint pliers. Drop forged from a fine grade of steel.

Length 6 inches.

Also included is an illustrated "Soldering tips" manual of practical soldering procedures.

661-124 T5-BGW820K.....Each \$14 23
One in shp ctn; wt ctn 3 lbs.

SOLDERING GUNS**—BLUE GRASS—DUAL HEAT GUN**

Fingertip selection of high or low heat output. High efficiency soldering tip of pure copper, pre-tinned. Light illuminates work.

Compact, balanced pistol-grip design.

"Soldering tips" booklet included.

100/140 watts, 120 volts, 60 cycles. AC only. Two-wire cord.

660-910 T5-BGW820 Each \$12 29
One in shelf box; wt box 2 1/2 lbs.

HI-TIN SOLDER**—BLUE GRASS—
For Electronic Work**

40% Tin—60% Lead Rosin Core
.093 diameter; 1/2-pound spool.

440-610 T5-BG21406
50 spools in shp ctn; Spool \$4 21
wt ctn 27 lbs.

**For General Work**

40% Tin—60% Lead Acid Core

.125 diameter; 1/2-pound spool.
440-727 T5-BG22406 Spool \$4 21
50 spools in shp ctn; wt ctn 27 lbs.

WIRE SOLDER**—BLUE GRASS—ACID CORE**

Acid core solder can be used for all general soldering, except electrical connections.

No flux is needed when using this solder because it is self-contained in the solder.

40% Tin and 60% Lead
One-Pound Spools

065-540 T5-BGAC1 Lb \$7 23
One spool in shelf box; wt box 1 lb.

ELECTRIC SOLDERING IRONS**—BLUE GRASS—Pencil Type**

Long life Nichrome Mica insulated element.
Screw-in tip makes replacing easy.
Tip temperature 600° to 650° F.
Extra cool plastic handle.
25 watts, 115 volta. Length over-all 8 inches.
Colorful clear-view plastic-pak.

242-982 T5-BG425 Each \$3 85
One in shelf box; wt each 3 ozs.

—BLUE GRASS—

Metal-protected, rugged-built heating elements. Solid copper tip, chrome barrel and chrome baffle plates.

Comfortably cool, blue handle.

Six-foot, heavy-duty neoprene rubber service cord with unbreakable rubber plug.

110 volts, AC-DC.

Diameter tip 1/4 inch; 40 watts.
622-910 T5-BG440 Each \$4 78
One in shelf box; wt each 1/2 lb.

Diameter tip 3/8 inch; 75 watts.
622-936 T5-BG475 Each 5 22
One in shelf box; wt each 3/4 lb.

Diameter tip 3/4 inch; 100 watts.
622-944 T5-BG4100 Each 5 86
One in shelf box; wt each 1 lb.

—BLUE GRASS—

Metal protected rugged built heating elements. Finest nickel-chrome wire heating elements. Three cooling fins.

Diameter tip 3/4 inch; 150 watts.

624-585 T5-BG4125 Each \$9 36
One in shelf box; 12 in shp ctn; wt ctn 15 lbs.

REPLACEMENT HEATING ELEMENTS**For Blue Grass Soldering Irons**

For T5-BG475
622-993 T5-BG475HE Each \$1 27

For T5-BG4100
623-439 T5-BG410HE Each 1 49

For T5-BG440
507-194 T5-BG440HE Each 1 00

REPLACEMENT TIPS**For Blue Grass Soldering Irons**

For T5-BG425
286-542 T5-BG425ET Each \$0 67

For T5-BG440
623-447 T5-BG44ET Each 80

For T5-BG475
629-444 T5-BG475ET Each 1 27

For T5-BG4100
629-451 T5-BG410ET Each 1 47

PROPANE BLOW TORCH KITS

—BLUE GRASS—

Sturdy metal chest contains: All brass pencil flame burner assembly, big brush burner head, flame spreader, soldering tip, spark lighter and propane fuel cylinder.

342-329 T3-BG77TK-4 Each \$12 93
4 in shp ctn; wt ctn 17 lbs.
(Cartons Will Not Be Broken)

—BLUE GRASS—

Includes two fuel cylinders, burner assembly with standard pencil point burner tip, standard brush flame tip, and sturdy steel tool chest, large enough to hold other tools.

282-061 T3-BG71TB Each \$13 51
One in shelf box;
6 in shp ctn;
wt ctn 36 lbs.

342-592 T3-BG71TB-4 Each \$13 51
4 in shp ctn; wt ctn 24 lbs.
(Cartons Will Not Be Broken)

DISPOSABLE PROPANE FUEL CYLINDERS
—BLUE GRASS—

Contains 14.7 ounces of liquified propane gas. Fits all popular makes of torches, lanterns and stoves.

Standard equipment on T3-BGIT, T3-BG3-PB, T3-BG77TK and T3-BG71TB.

317-198 T3-BG2C Each \$1 76
One in shelf box; 12 in shp ctn; wt ctn 24 lbs.

343-806 T3-BG2C-6 Each \$1 76
6 in shp ctn; wt ctn 12 lbs.
(Cartons Will Not Be Broken)

No Parcel Post Shipments.

TRIG-R-TROL TORCHES
—BLUE GRASS—

A trigger action torch with two separate controls.

Precision engineering allows fuel-saving economy with controlled pilot flame and controlled working flame.

The trigger provides instant action from pilot control to preset flame level or an On-Off control adjusts the flame to your job.

343-335 T58G5TT-4 Each \$14 04
4 in shp ctn; wt ctn 14 lbs.
(Cartons Will Not Be Broken)

—BLUE GRASS—PENCIL BURNER
For T3-BG5TT Trig-R-Trol Torch

561-357 T3-BG6PB Each \$5 10
One in shelf box.

—BLUE GRASS—ORIFICE
For T3-BG5TT Trig-R-Trol Torch

561-977 T3-BG21-OR Each \$0 88
One in envelope; 12 in shelf box.

PROPANE BLOW TORCHES

—BLUE GRASS—PROPANE
DE LUXE TORCH

Built of solid brass. Porous metal filter improves flame and cuts clogging to a minimum. Easy acting control valve instantly adjusts flame from minimum to full. Includes a de luxe pencil flame burner and a disposable propane cylinder.

312-348 T3-BGIT Each \$7 59
One in shelf box; 12 in shp ctn; wt ctn 28 lbs.

383-893 T3-BGIT-6 Each \$7 59
6 in shp ctn; wt ctn 31½ lbs.
(Cartons Will Not Be Broken)

PROPANE TORCH
ACCESSORY
CENTERS—BLUE GRASS—
All Items Carded

Contents:

- 2—T3-BG7PB—Pencil Burner Units
- 2—T3-BG8BB—Brush Burner Units
- 3—T3-BG20-OR—Orifices for Pencil Burner
- 2—T3-BG9PB—Pencil Burner
- 2—T3-BG10BB—Brush Burners
- 2—T3-BG11FS—Flame Spreaders
- 2—T3-BG12SCT—Soldering Tips
- 1—T3-BG6PB—Pencil Burner
- 2—T3-BG21-OR—Orifices
- Tripod display stand with Blue Grass header card.

561-704 T3-BG33TAC Each \$54 51
Packed in 2 shp ctns; wt 7 lbs.

ACCESSORIES FOR PROPANE TORCHES

—BLUE GRASS—

PENCIL BURNER UNIT—With Valve Assembly

Solid brass burner unit in attractive blister pack attached to display card.

318-204 T3-BG7PB Each \$6 31
One in shelf box; 6 in shp ctn; wt each 1 lb.

BRUSH BURNER UNIT—With Valve Assembly

Solid brass burner unit in attractive blister pack attached to display card.

324-806 T3-BG88B Each \$6 31
One in shelf box; 6 in shp ctn; wt each 1 lb.

PENCIL BURNER—With Orifice

325-837 T3-BG9PB Each \$4 19
5 in shelf box.

ORIFICES—For Pencil Burner

218-800 T3-BG20-OR Each \$0 88
12 in shelf box; wt each 2 ozs.

SOLDERING TIP

Small chisel point.
308-932 T3-BG12SCT Each \$3 46
5 in shelf box.

BRUSH BURNER—With Orifice

326-496 T3-BG108B Each \$4 19
One in shelf box;
12 in shp ctn; wt ctn 2 lbs.

FLAME SPREADER

326-504 T3-BG11FS Each \$2 80
One in shelf box;
12 in shp ctn; wt ctn 4 lbs.

TINNER'S SNIP DISPLAY PANELS —BLUE GRASS—

Blue Cushion Grip Handles

Colorful display panel with yellow background and Blue Grass blue header. Display size 22x12 inches. Will fit any standard pegboard. Snips are mounted on hanging pegs with space provided for pricing. Solid forged steel blades and handles.

Display consists of one each of following items:

BG709 Tinner's Snips
BG710 Tinner's Snips
BG712 Tinner's Snips
BG781 Tinner's Snips
BG782 Tinner's Snips
BG783 Tinner's Snips
BGR110 Tinner's Snips
BGR210 Tinner's Snips
BGR310 Tinner's Snips

322-578 T5-BG3333 Each \$63 86

One in shp ctn;
wt ctn 13 lbs.

TINNER'S SNIPS —BLUE GRASS—

Standard—Straight Pattern

Solid forged steel. Blue vinyl plastic grip handles. Chrome plated heads, polished on flats. Forged from special high grade steel.

Blades expertly contoured and carefully ground for easy cutting. Well shaped handles and bows are comfortable. Flush bolts.

Lgth cut 2 in.; lgth over-all 7 in.; wt each 1 1/2 lb.
066-308 T5-BG712 Each \$5 53
Lgth cut 2 1/4 in.; lgth over-all 10 1/4 in.; wt each 1 3/4 lbs.
066-316 T5-BG710 Each 6 56
Lgth cut 3 in.; lgth over-all 12 3/4 in.; wt each 1 3/4 lbs.
066-324 T5-BG709 Each 8 39
6 in shelf box.

—BLUE GRASS— Duck Bill Pattern

Solid forged steel. Blue vinyl plastic grip handles. Chrome plated heads, polished on flats. Forged from special high grade steel. Sharp pointed. Will cut straight or curved lines. Especially useful for scroll or cornice work.

Lgth cut 1 3/4 in.; lgth over-all 7 in.; wt each 1 1/2 lb.
066-464 T5-BG783 Each \$5 71
Lgth cut 2 1/4 in.; lgth over-all 10 in.; wt each 1 lb.
066-472 T5-BG782 Each 6 84
Lgth cut 3 in.; lgth over-all 12 3/4 in.; wt each 1 3/4 lbs.
066-480 T5-BG781 Each 8 48
6 in shelf box.

TINNER'S SNIPS

COMPOUND LEVERAGE

—BLUE GRASS—With Blue Cushion-Grip Handles

Hot drop forged alloy steel blades and handles. Individually fitted blades assure smooth positive cutting. Designed to cut 18-gauge and heavier steel. Over-all length 10½ inches.

Cuts Straight

Length of cut 1½ inches.
 061-655 T5-BGR310 Each \$7 45
 6 in shelf box; wt each ¾ lb.

Cuts Left

Length of cut 1¾ inches.
 061-663 T5-BGR210 Each \$7 45
 6 in shelf box; wt each ¾ lb.

Cuts Right

Length of cut 1¾ inches.
 061-671 T5-BGR110 Each \$7 45
 6 in shelf box; wt each ¾ lb.
